## President's Report 2014

The past year has been very successful for the Quesnel Community Foundation. We had the largest grant cycle ever, with lots of good projects and over \$60,000 being awarded in grants and scholarships. We expect the amounts to be even greater in the

coming year.

The community continues to give generously as only a city like Quesnel can; donations of all kinds continue to flow in. Family funds have become a popular way to recognize the contribution made by long term Quesnel residents and help to create a lasting legacy.

I believe the highlight of the year was the annual Awards Gala held in April. The committee grew, the community support was huge and the event sold out, making it a big success by all accounts. The committee is already organizing for next year and we are all looking forward to another fun evening.

This year we said good bye to Past President Alex Coffey and Director Kevin McKelvie. Both have served six years in various positions and have made valuable contributions to the Foundation. We all give Alex and Kevin a big thank you and best wishes for the future.

I am pleased to welcome Margot Gagne and Brian Black to our team. Both are very talented individuals that are sure to make significant contributions and I look forward to working with them and the rest of the board of directors in the future.

In closing a big thank you to all of our donors, volunteers, and directors and to our coordinator Cathy Briggs who makes all of our jobs easier.

Respectfully submitted,

*Roy Josephy*
